ST Arc već 30 godina doprinosi stvaranju  
blagdanskog ugođaja i čarolije diljem Hrvatske, ali i Europe.

Svjetlosne dekoracije su naš poziv i strast,  
od same proizvodnje svjetlosnih motiva  
do osmišljavanja modernog i  
inovativnog dizajna božićnih dekoracija.

Svakom elementu pristupamo s puno ljubavi, kreativnosti i  
dobre volje, bio on jednostavan ili jako zahtjevan.

Naš cilj je biti vaš prvi izbor kada pomislite  
na božićne svjetlosne dekoracije, kako zbog  
velikog izbora svjetlosnih dekoracija vlastite  
proizvodnje tako i zbog pouzdanosti,  
brzine i podrške tijekom realizacije projekata.
